### THE CHARACTERS

**BOONIE** is a man being treated for psychiatric disorder, he is told by Doctor Decker that he is responsible for a series of terrible murders. He then tries to commit suicide and, while in hospital, is told of a place where all his sins can be forgiven, a place of wonderful beauty, a place called **MIDIAN**. He makes his way to Midian but surprisingly no longer runs on the **NIGHTBREED**-The **NIGHTBREED** are a tribe of shape-changing beings, all that are left of a race of beings who have almost been wiped out by man.

The **Nightbreed** are mostly passive > you have to avoid them rather than fight them. There are several types of breed:

**BIG FLY**-This swoops down and attacks you over if you don't keep it avoid it. It cannot be harmed.

**BATMAN**-He goes in your way and moves very slowly. He also vomits and this is poisonous if touched.

**SNACKMAN**-He sits there and catches his tail. If you go near him he may strike you pushing you back off the screen. It must be pushed and kicked off the screen.

**THE BERSERKERS** Large and lumbering, he walks up to you and punches you with his big fist. You must hit him off the screen.

**FLYING TETEM**-This flies on the screen at head height and if you don't duck, it knocks you over.

**HEAD MONSTER**-This is a large ferocious that has six, but when you hit it its head flies around hitting itself as you.

**BOOM CRAWLER** crawls along the road dropping rocks on you.

**HOPPER** hops around the room and if it hits you knock it over.

**SCORPION MAN**-A scorpion with a man's head, it creeps towards you and strikes you with his tail.

**EYEBALL MONSTER**-This is a large eyeball which moves down the top of the screen and tries to look into your eyes. When it does a ray comes out and if you don't look away it harms you.

**THE SONS OF THE FREE** are an evil organisation who have come to destroy the **Nightbreed** and Midian. They are armed to the teeth with Rocket Launchers, Flame Throwers, Machine Guns, Grenades, etc.

The Sons of the Free soldiers appear on the ground > they drop from above.

There are five types of Son of the Free:

**HAND TO HAND**-They run towards you and start punching and kicking.

**HAND GUN**-They fire several shots at you until they run out of bullets or you get near them. They then revert to hand to hand combat. (If you kill them and their gun still has bullets left you can collect it.)

**MACHINE GUN**-They fire a machine gun at you in bursts but if you get too close or they want to stop they revert to hand to hand combat.

**ROCKET LAUNCHER**-They kneel down with the launcher and a sight appears over the Son of the Free and homes in on you. If the sight locks on to you then the rocket is launched and is very difficult to avoid.

**FLAME THROWER**-They try to stay as a certain distance from you moving backwards and forwards firing their flame throwers. The flame either goes straight (jump over them) or upwards (duck). They move slower than you so you can get near them. They then revert to hand to hand combat.

**THE MASK** is the alter-ego of Boonie's doctor, Doctor Decker. It is far the more dangerous and follows Boonie to Midian and then leads the Sons of the Free there. Boonie must defeat the Mask to complete the game.

As well as the Sons of the Free and the Nightbreed you will encounter other hazards:

**MINES**-Step on these and you are blown into the air. The surrounding area is also destroyed.

**TIME BOMBS** are thrown on from the side and tick away and explode if you do not go to them in time.

**GRENADES** are thrown in and travel across the screen and explode on contact if you do not jump over them.

**GROUND FIRES** flare up and burn if touched.

**FALLING FIRES** are like ground fire but drop from above.

**FALLING ROCKS** hurt if you get hit.

**BERSERKERS HANDS** grab you from below and knock you over.

**ENERGY DROPLETS** drift upwards from the ground and will replenish your energy on contact.

In order to complete the entire game you must do the following:

1) Collect the 5 keys to Midian; one is located on each level. In order to obtain the 5th key, you must defeat the MASK (although he will subsequently escape).

2) Work your way around the Necropolis and down through Midian to the Nightbreeds' God, BAPHOMET, who will then baptize you. This will enable you to transform into CABAL for short periods of time. CABAL can withstand much better than BOONIE and has greater strength than his alter-ego.

3) Open the door to the BERSERKERS' chamber.

4) Work your way up to the surface of Midian to free the Breed. They then tell you that the MASK has your girlfriend, LORI.

5) Descend back down and engage in the ultimate battle with the MASK. With victory achieved, you must get back to the surface of Midian where you will be re-united with LORI.

**PASSWORD TO SKIP GAME PARTS**-The game uses a graphical password entry system. The player has the option to create a key from pieces laid out on the screen.

The correct keys allow the player to enter further on in the game. These keys are displayed in certain parts on the background. The players lives and objects held are changed as appropriate.

**STATUS PANEL** displayed on two panels, one above and one below the playing area and consists of:

**BOONIE'S STATUS**-Boonie's head (changes colour and definition when he transforms into a monster and back into a man).

**MESSAGE AREA** displays general messages to the player such as warning, loading information and results.

**POWER LEVEL AND LIVES**-These two are combined in the form of three heads which peel away into skulls as Boonie is hurt. After a complete head is a skull Boonie falls over, dies and is then resurrected by Baphomet. After the last life is gone Boonie dies and the game ends. If Boonie gains more energy only the present head will turn back from a skull, so even you have lost a head it is gone but good.

**HELD OBJECTS** are displayed on the bottom panel.

## HINTS AND TIPS

- Don't fight if you don't have to as this will drain energy.
- Save the Gun for really nasty preys.
- Replenish energy as much as possible.
- Try and find the quickest way between objectives.
- Make a map.
- Strike hard and fast.
- Always pick up gun magazines.
